Re: Equal Employment Opportunity

Gentlemen:

As an Equal Opportunity Employer, Robert E. Crosby & Son, Inc. makes Equal Employment Opportunity a very important part of company policy in all phases of work. We have employed minorities and hired minority Subcontractors to work on various projects. We have made a good faith effort to meet or exceed the local goals for utilizing minorities and females on all construction projects, which also includes the employment of disabled veterans and veterans of the Vietnam Era.

We also have a program to insure that our company complies with all regulations of the Civil Rights Act and the Executive Orders on Equal Employment Opportunity.

The Program briefly includes the following:

1. Periodically notifying the Unions, to which we are signatory to their Contracts, that we are an Equal Opportunity Employer and we will be requesting minority and female employees.
2. Notifying our Subcontractors that we are an Equal Opportunity Employer and the provisions of our E.E.O. Policy are a part of the Subcontract Agreement.
3. Notifying schools, employment agencies, community organizations, Minority groups and Women's groups that as an Equal Opportunity Employer we welcome applications from all qualified individuals.
4. Reporting monthly to the Fort Wayne and Area Plan on our minority workforce.

Respectfully,
